1. The childcare fee is based on the total joint gross monthly family income. When you have been allocated a childcare placement for your child/children, you are immediately required to report your income information on this form. You must hand in this information before your child can start to attend.
2. Please hand in the completed form to the Children- and Education office or the childcare place where your child has been placed.
3. If you do not hand in the required information your initial fee will be based on the highest income used for the calculations i.e. 42 000kr/month. When you subsequently hand in your information your fee will change in the following month.
4. If Your household income changes you must report this to us immediately by completing and handing in a new form.
5. The Children- and Education office has the right to verify income information with, for instance, the tax office.

By your application for childcare in the district all information given here will be contained in a database registered with the Children- and Education board (Barn- och utbildningsnämnden). The information will be used as the basis for the childcare fee and related business and it will be handled in accordance with the regulations of the Personal Information act (Personuppgiftslagen (PUL). Upon your request the board is required to correct, censor or erase information (28§ PUL). Any related questions should be directed to Barn- och utbildningsnämnden, Box 503, 385 25 Torsås
